Computer/Video/Audio Tape Eraser

(220 VAC; 50 Hz)

The hand-held model PF 212 tape eraser is perfect for the low-volume user. A few seconds is all it takes to completely erase a tape. This convenient, easy-to-use machine will completely erase previous recordings in just seconds. Used computer tapes and diskettes can perform like new when erased with a wave of the PF 212 professional, powerful tape eraser. At 220 VAC, this machine is powered for European and Asian markets.

The duty cycle is one minute on and five minutes off.

Features:

- 2300 gauss flux field erases tapes to like-new condition
- Thermal fuse prevents overheating; resets automatically
- Easy to activate on/off power switch
- Rugged, comfort-molded ABS Cyclocac case
- UL/CSA approved
- 220 VAC; 50/60 Hz power required

Applications:

- Police recordings
- Fire department recordings
- TV broadcast recordings
- Ambulance training recordings
- Hospital recordings
- Bank data processing records
- Financial and insurance recordings
- Software duplicators
- Military video recordings
- Legal confidential diskette recordings
- Floppy disk recordings
